e.g. Skype, Zoom

Feel free to write a brief outline of any key goals, concerns or challenges you are facing as you seek to home school your child. Coach House does not require a formal assessment of giftedness, nor a clinical diagnosis to put special measures in place for neurodiverse children. We trust that you know your child best, so at our meeting we'll chat about their specific needs and how we plan to empower them for a successful year of learning.

## NESA Registration

In New South Wales, home schoolers must be registered with NESA (NSW Education Standards Authority) But don't worry - we provide all the documentation they require.

Is your child currently registered with NESA?:  Yes  No

Have you recently applied for registration?:  Yes  No

If you have been assigned a meeting date with NESA's Authorised Person, write it here:

Thanks for taking the time to provide this data. It will be kept strictly confidential. Please scan or photograph this completed Student Information Form and the Literacy and Numeracy Assessments and send them to 0437 155 338, or email the files to [allychumley@msn.com](mailto:allychumley@msn.com). At our personal meeting, we'll gather detailed information about your child's educational needs, personal interests, preferences, passions and current abilities. We look forward to chatting with you and your child in person soon.
